

INDIGENOUS VASCULAR PLANTS SEEN AT WHAREKOHU, KAPITI ISLAND,  
during a survey by members of the Wellington Botanical Society, 11/2/96 - compiled by  
R Empson.

Trees and Shrubs

*Brachyglottis repanda*  
*Carpodetus serratus*  
*Cassinia leptophylla*  
*Coprosma areolata*  
*Coprosma grandifolia*  
*Coprosma lucida*  
*Coprosma propinqua*  
*Coprosma repens*  
*Coprosma rhamnoides*  
*Coprosma robusta*  
*Coprosma propinqua* x *Coprosma robusta*  
*Cordyline australis*  
*Coriara arborea*  
*Corynocarpus laevigatus*  
*Cyathodes juniperina* var.  
*Dysoxylum spectabile*  
*Elaeocarpus dentatus*  
*Fuchsia excorticata*  
*Geniostoma rupestre* var.  
*Griselinia lucida*  
*Hebe elliptica* var. *crassifolia*  
*Hebe stricta* var. *atkinsonii*  
*Hedycarya arborea*  
*Hoheria populnea* var. *populnea*\*  
*Hymenanthera crassifolia*  
*Knightia excelsa*  
*Leptospermum ericoides*  
*Leptospermum scoparium*  
*Leucopogon fasciculatus*  
*Macropiper excelsum*  
*Melicope ternata*  
*Melicytus novae-zelandiae*\*  
*Melicytus ramiflorus*  
*Metrosideros perforata*  
*Myoporum laetum*  
*Myrsine australis*  
*Myrsine salicina*  
*Nothofagus solandri* var. *solandri*\*  
*Olearia paniculata*  
*Olearia solandri*  
*Pennantia corymbosa*  
*Pimelea prostrata*  
*Pittosporum crassifolium*

*Pittosporum eugenoides*  
*Pittosporum tenuifolium*  
*Prumnopitys ferruginea*  
*Pseudopanax anomalus*  
*Pseudopanax arboreus* var. *arboreus*  
*Pseudopanax crassifolius*  
*Rhopalostylis sapida*  
*Sophora microphylla* var. (shrub)  
*Urtica ferox*

Climbers, Lianes and Related Trailing  
Plants

*Calystegia soldanella*  
*Clematis forsteri*  
*Clematis paniculata*  
*Fuchsia procumbens*\*  
*Muehlenbeckia australis*  
*Muehlenbeckia complexa*  
*Parsonsia heterophylla*  
*Passiflora tetrandra*  
*Ripogonum scandens*  
*Scandia geniculata*  
*Tetragonia trigyna*

Grasses, Sedges, Rushes and Like Plants

*Carex flagellifera*  
*Carex secta* var. *secta*  
*Carex virgata*  
*Cortaderia toetoe*  
*Cyperus ustulatus*  
*Dichelachne crinita*  
*Elymus glaucous*  
*Gahnia pauciflora*  
*Hierochloe redolens*  
*Luzula banksiana* var.  
*Phormium cookianum*  
*Poa anceps*  
*Poa cila*  
*Puccinellia stricta*  
*Scirpus cernuus*  
*Scirpus nodosus*  
*Trisetum antarcticum*  
*Uncinia uncinata*

## Other Monocot Herbs

*Acianthus reniformis*  
*Arthropodium candidum*  
*Bulbophyllum pygmaeum*  
*Dianella nigra*  
*Orthoceras novae-zelandiae*  
*Prasophyllum colensoi*  
*Pterostylis banksii*  
*Pterostylis montana*  
*Thelymitra longifolia*

## Dicot Herbs

*Acaena anserinifolia*  
*Apium australe*  
*Atriplex* sp.  
*Colobanthus muelleri*  
*Cotula coronipifolia*  
*Craspedia viscosa*  
*Craspedia uniflora* var.  
*Dichondra repens*  
*Dichondra* sp. (*D. brevifolia* agg)  
*Disphyma australe*  
*Einadia triandra*  
*Geranium microphyllum*  
*Gnaphalium* sp. (*G. luteo-album* agg)  
*Haloragis erecta*  
*Hydrocotyle moschata*  
*Lepidium oleraceum*  
*Linum monogynum*  
*Lobelia anceps*  
*Oxalis exilis*  
*Peperomia urvilleana*  
*Plantago raoulii*  
*Samolus repens*  
*Sarcocornia quinqueflora*  
*Scleranthus biflorus*

*Senecio quadridentatus*  
*Sonchus kirkei*  
*Spergularia media*  
*Stellaria parviflora*  
*Vittadinia australis*  
*Wahlenbergia gracilis*

## Ferns and Fern Allies

*Adiantum cunninghamii*  
*Asplenium bulbiferum*  
*Asplenium flabellifolium*  
*Asplenium flaccidum* ssp. *flaccidum*  
*Asplenium gracillimum*  
*Asplenium oblongifolium*  
*Asplenium obtusatum*  
*Asplenium polyodon*  
*Asplenium terrestre* ssp. *maritimum*  
*Blechnum chambersii*  
*Blechnum filiform*  
*Blechnum minus* (B. *capense* agg *swamp* sp.)  
*Blechnum* sp. (B. *capense* agg *large lowland* sp.)  
*Cyathea dealbata*  
*Cyathea medullaris*  
*Cyathea smithii*  
*Hymenophyllum multifidum*  
*Hypolepis* sp. (H. *tenuifolia* auct NZ)  
*Lastreopsis glabella*  
*Lastreopsis velutina*  
*Pellaea callidirupium*  
*Pellaea rotundifolia*  
*Phymatosorus diversifolius*  
*Phymatosorus scandens*  
*Pneumatopteris pennigera*  
*Polystichum richardii*  
*Pteridium esculentum*  
*Pteris tremula*  
*Pyrrosia serpens*

\* = Planted species not native to the island.
